Harmony

Harmony helps victims recover from the impact of ASB, whether they choose to report incidents to the Police or not.

Harmony provides a specialist support service, including tailored advice, guidance, information and practical and emotional support.

A confidential, impartial mediation service between both or multiple parties who may be neighbours, near neighbours or community members is also available.

Furthermore, the service offers free training / awareness raising sessions for professionals.

Eligibility: Adults and children

Exceptions:

- Forms of ASB where there is no identifiable victim such as begging / vagrancy, abandoned vehicles, prostitution
- Street parking
- Environmental pollution
- Street noise
- Related matters as a result of concerns around a licensed premise
- Noise deemed to be a result of lifestyle differences or normal living
- Cases where mediation does not relate to ASB e.g. family / marriage

Navigator and Tailored Support

Catch22 deliver a Navigator and Tailored support service to identify and support children and young adults who are involved in, at risk of being involved in, or affected by violence and its associated harms.

Evidence suggests that following a violent or traumatic incident, presentation at hospital or custody, can be a period when individuals may be open to receiving support.

Once identified, the Catch22 Navigator will work with them to build trust and signpost them to appropriate services, or provide direct support through the Tailored Support Service.

Eligibility:

- Police custody: children aged 10-18 years old.
- Hospitals and other healthcare providers: children & young adults aged 10-25 years old.

Geography: Staffordshire & Stoke-on-Trent

Can Police refer? Yes

Contact details:

Child Criminal Exploitation

The service has a strong preventative focus and aims to identify and target children who are **vulnerable** to being criminally exploited.

Action for Children's work focuses on group initiatives and 1:1 support. All referrals are made by schools/education providers. The service will signpost referrals that do not fit the criteria and will be working collaboratively with other agencies to maximise capacity, resources and reach.

Eligibility: 9-16-year-olds (up to 25 for those with special educational needs/disabilities). Support in primary schools with be for years 5 & 6.

Geography: Staffordshire & Stoke-on-Trent

Can Police refer? No. But they can inform schools that they need to make a referral.

Contact details:

 staffordshireCCE@actionforchildren.org.uk

Pre-Arrest Diversion Scheme (PADS)

PADS is a Community Resolution officers can use to refer individuals found in possession of a personal use quantity of illegal drugs to specialist support, offering offenders the opportunity to address their drug use. Initial Assessments are via phone.

A one-to-one assessment is conducted to identify the needs of the individual and to provide help in accessing support services for any needs. For example: substance use treatment for dependent or problematic drug use; housing; employment; gambling; exploitation; and safeguarding.

Eligibility:

- Offenders aged 12+
- Offenders must accept responsibility for the possession without a reasonable excuse or statutory defence

Geography: Staffordshire & Stoke-on-Trent

Can Police refer? Yes

Contact details:

 Staffordshire Police Justice Services Support Unit

As determined by the initial assessment individuals may then either attend an online group session, or a further 1-2-1 telephone/online intervention.

Business Crime

The service delivers specialist support to businesses impacted by crime to help them get back on their feet as soon as possible and to prevent them from being a repeat victim of a business crime.

The service, which is delivered by Staffordshire Chambers of Commerce, can support any crime against a business, from theft and burglary through to cybercrime and fraud.

Business Crime Advisors are trained to deliver tailored advice and support to help victims of crime and can also refer them to a number of different organisations that can provide specialist advice and support at no initial cost.

Eligibility: Small to medium enterprises (SMEs), whether they report the crime to the Police or not

Geography: Staffordshire & Stoke-on-Trent

Can Police refer? Yes

 [01782 202 222](tel:01782202222)

Drug Interventions

Drug and alcohol use is known to have a strong correlation with offending behaviour. These interventions are aimed at providing opportunities throughout the criminal justice system to identify and address drug and alcohol related issues amongst offenders.

Support workers are available in criminal justice settings to assess and refer drug and alcohol users into Orders such as Drug Rehabilitation Requirements and Alcohol Treatment Requirements, whilst also engaging them in psychosocial support to address the reasons underlying their substance use.

Staffordshire service: STaRS

Eligibility: Prison release, court orders ATR/DRR, RA, open to Probation/IOM

Can Police refer? Yes, through RA appointment

Floating Housing

Offploy support adults who have criminal convictions and are experiencing homelessness or facing housing insecurity to obtain permanent tenancies in the community and provides floating support until they have achieved as much independence as control over their lives as possible.

The support ensures service users have the information they need to enable them to maintain their accommodation/tenancy and provides advice to achieve and maintain independence.

The service focuses on people who have a previous history of offending and are at risk of re-offending. They may also have other support needs, including but not limited to, mental health, drug and alcohol misuse, and/or other addiction issues.

Eligibility: Referrals are accepted for individuals who meet all of the following:

- Have a criminal conviction
- Have an active housing need
- Present with at least one additional barrier such as:
 - Mental ill-health
 - Financial difficulty or debt
 - Lack of employment or training
- Not already receiving equivalent case management support, such as:
 - IPS (Individual Placement and Support)
 - Restart scheme
 - Refuge or specialist housing services
 - Drug and alcohol recovery programmes
- Willing and able to engage for a full 16-20-week period
- Capacity to work towards goals, attend regular check-ins, and participate meaningfully

Geography: Staffordshire & Stoke-on-Trent

Can Police refer? Yes

Space Scheme

The Space scheme provides an opportunity to engage with children during the summer holidays and provides opportunities to help nurture, support and develop them.

By bringing together public, voluntary and private sector organisations Space can offer support to 8-17-year-olds to help increase their skills, improve their health and wellbeing and create opportunities, while also aiming to reduce level of anti-social behaviour.

Hundreds of activities take place each year including swimming and gym sessions, youth club sessions, DJing and wildlife experiences.

Pause

Pause work with women who have experienced, or are at risk of, repeated pregnancies that result in children needing to be removed from their care.

Pause work with women to take control of their lives, breaking a destructive cycle that causes both them and their children deep trauma.

The service offers an intensive, supportive 18-month programme that may involve advocacy and support to help birth family members get their views across when dealing with children's services and other official agencies, counselling or therapeutic support and support groups for birth families affected by adoption.

Pause is joint funded by the SCO with the Stoke-on-Trent City Council and Staffordshire and Stoke-on-Trent Integrated Care Board (ICB).

Eligibility: 8-17-year-olds

Geography: Staffordshire and Stoke-on-Trent

Commissioner's Community Safety Fund

Alongside the Police, agencies including local authorities have a statutory duty to prevent and tackle crime and anti-social behaviour (ASB). No one agency can resolve these issues in isolation, so a partnership approach is invaluable.

The Commissioner recognises the value of local knowledge of community concerns and the options available to address them.

As part of his commitment to driving down crime and ASB, the Commissioner's Community Safety Fund is available to support projects and initiatives which focus on addressing local crime and community safety priorities.

This funding is allocated to the nine Community Safety Partnerships (CSPs) operating across Staffordshire and Stoke-on-Trent, each made up of representatives from the Police, local authorities, the Fire & Rescue Service, health and the Probation Service.

Each CSP receives £10,000, with £20,000 given to Stoke-on-Trent, to address community safety-related concerns, reduce crime and ASB and enhance public confidence.

An additional pot of £100,000 is also available for CSPs to bid in to for individual projects and initiatives.

By financially supporting the delivery of local community priorities through this fund, CSPs are able to build on the good work they are already doing to keep our communities safe.

In addition to funding allocated to CSPs, funding given by the Commissioner also includes:

- £10,000 awarded to each of the 10 Local Policing Teams in Staffordshire to address priorities set by the Government's Neighbourhood Policing Guarantee.
- £180,000 contribution towards the Staffordshire Space Programme which funds activities for children over the summer holidays.
- £200 towards the cost of Independent Chairs for ASB Case Reviews on request.
- Community Safety Strategic Assessment refresh for each CSP and one for Staffordshire.

For more information and to contact your local CSP visit: www.staffordshire-pfcc.gov.uk/what-we-do/local-community-safety-fund/
