<p>The work of the Panel complements that of the ETAP Finance Panel and has strengthened ETAP's focus on ethics and transparency.</p> <p>We continue to use ERP meetings to improve members' depth of understanding of force policies and procedures.</p>	<p>Since the last ETAP FARS meeting on 22nd February 2023 the Ethics and Review Panel has met once, on 19th April 2023.</p> <p>Reports on all reviews completed to date are available on the SCO website, as well as an abridged version of the ETAP Chair's report for 2021-22.</p>	<p>We continue to operate in line with our annual workplan which includes identifying areas for possible scrutiny/review and re-visiting issues/follow-up on completed reviews to ensure that any outstanding issues/queries have been addressed.</p> <p>In line with our current workplan our January meeting focused on</p> <ul style="list-style-type: none"> • Current reviews • Planned reviews
<p>Completed Reviews</p>	<p>There are no outstanding issues.</p>	
<p>Current/planned reviews</p>	<p>Following on from the HMICFRS Inspection Report published in the autumn, ETAP planned to undertake a review of the project management processes underpinning FARS response/plans in relation to the AFIs identified in the HMICFRS Report.</p>	<p>ETAP members Sue Westacott and Ben Thompson are working on this area. At the last FARS ETP it was recognised that new project management processes would take time to become embedded.</p> <p>Meetings with the relevant FARS officers have provided a useful background briefing and it has been decided to plan the review for later in the year.</p> <p>We will be discussing with FARS review areas which we might prioritise within this year's workplan.</p> <p>We note that the publication of the Grenfell Phase 2 Report has been pushed back until the end of 2023/</p>
